Dear Sir:-

I beg to acknowledge receipt of your letter of the 11th, and if it is possible for you to grant me an appointment on Friday morning of this week, I shall be very glad to call on you at that time. There are a number of points which need explanation, but it may be possible to do something in connection with the medal concerning which you write.

Yours very truly,

Secretary.

Dear Sir:

I have your note of yesterday and regret that I am obliged to go to Washington tonight but shall be back here first of the week. May I call you on the telephone soon after my return and arrange in that way for a meeting at your entire convenience?

Sincerely yours,

My dear Mr. Noe:

You will remember our talks concerning the Lafayette Memorial Medal last Spring. The medal was designed by Mr. French and cast by the Medallic Art Company. We had 200 copies struck off, of which 162 have gone to subscribers at $5. We are intending to offer the remainder to any individuals interested, and from the reception the medals have so far received I think they will go quickly.

If you would care to have a sample copy to show to the members of your Society, I shall be glad to mail one to you, and can let you have as many as you may be able to dispose of.

Very truly yours,

Alfred T. White

Dear Mr. White:

Your letter of the 29th is at hand, and I congratulate you upon the number of medals you have sold. I shall be very glad to have you send me a copy as you suggest. Please accompany it by a memorandum bill, for of course we want a copy for the Society's collection.

If you printed a circular, please enclose a few copies, and I will have one placed on our bulletin board and use the others as opportunity offers. It is too late to insert a note regarding the piece in the February Numismatist, but I will prepare one for the March number, and state that copies can be secured here. I feel sure you will have no difficulty in disposing of the small number remaining.

Very respectfully yours,

Secretary

Dear Mr. White,

This morning I received the two medals which you sent me, and in the same mail a request for an additional one. If you will kindly address it to Mr. Ambrose Swasey, c/o The Warner & Swasey Co., Cleveland, O., I will send you a check to cover. This will obviate the necessity of our re-addressing the medal.

Very truly yours,

Secretary.
